10

for	insects?	meat
you	swap	Would

## The key

1. Could Macron's decision regarding the family board?
2. How does changing the clocks affect our health?
3. How often should you wash your sheets and pillows?
4. Is this how AI might eliminate humanity?
5. What is being done to protect nature in Northern Ireland?
6. What's gone wrong with Iran's economy?
7. What's it like to meet your own avatar?
8. Why is Atlanta's culinary scene getting food lovers excited?
9. Would you eat a meal dreamed up by a computer?
10. Would you swap meat for insects?
